Hi Belinda/Ladies: I received this and was told to rush it. Mary is aware that it's coming and will be doing a "wet signature" tomorrow.

My thought was, if she's signing a paper copy of this, a pdf wouldn't be necessary but I've included it just in case. Please let me know if something more is needed.

Pam,

Please send this down to the Regional Administrator's office this afternoon. Mary would like to sign the document tomorrow. If you need the signature checklist, Tom has it prepared. Please reach out to him directly.

Call me if there is an issue.

Thanks  
jeaneanne

Jeaneanne – I removed the table from the bottom of the email I sent to Leif, because I'm realizing that it is only applicable for electronic signatures.

**TIME SENSITIVE – Mary plans to sign as soon as possible**

**To complete review**, see the attached FDEP-EPA MOA.

**To provide concurrence**, initial the attached routing slip.
